We just talked about this on the 9 am press team call. What I heard was that posts need to be sent through Ostrander assisted by Melissa Harrison and Jennifer Colaizzi in Durango. Jessica Orquina (or other) will post to national accounts and Region will repost, retweet. We wont be responding to content posted by others for the time being.

That's based on my recollection of the conversation.

Hi, Rich.

The locals here are using their Facebook pages pretty effectively to get information out to the public regarding the GKM. Is there any way we could get some information up on our page?

Thanks!
